<p>The Isabela State University (ISU) provides advanced instruction in agriculture, natural and applied sciences and technology. It trains professionals in various fields such as education, communication, business and entrepreneurship among others. The ISU is also tasked to engage in research to seek new technologies, promote sustainable development and generate new knowledge in other professions. It translates these outputs to improved community life through extension services and increased productivity of the rural poor so that they can be self-reliant and active participants in regional and national development.</p>	Advanced and Higher Education Services	Php312.23	Percentage of FTEs in mandated*/priority programs**	78.29 percent	100 percent	106 percent	106%
